

Tokyo Takarazuka Theater

The Tokyo Takarazuka Theater is a mere 5-minute walk from Yūrakuchō Station.

The Tokyo Takarazuka Theater, situated in the heart of the capital, is our second home. The stage setup is identical to the Takarazuka Grand Theater in Hyogo Prefecture. As it is conveniently located just five minutes on foot from Yūrakuchō Station, a large number of visitors pour into the theater on weekdays and holidays alike.
